

School Wellness Report Card

Victory Collegiate Academy

OUTSTANDING	SATISFACTORY	NEEDS IMPROVEMENT	Students need healthy food and environments to reach their full potential. This report reviews our progress towards the goals outlined in our Local Wellness Policy to help student's succeed!
☒	☐	☐	All students can participate in the National School Lunch and School Breakfast Programs, with meals that meet federal standards and at least 20 minutes to eat lunch.
☒	☐	☐	Any foods sold to students, including fundraisers, meet USDA Smart Snacks standards, and only Smart Snacks foods are marketed on campus.
☒	☐	☐	Parents and teachers receive healthy party ideas, Smart Snacks lists, and non-food reward ideas.
☒	☐	☐	Students learn about healthy eating through health education lessons, and staff receive nutrition training.
☒	☐	☐	Elementary students receive at least 150 minutes of physical education weekly, and students are active before, during, and after school.
☒	☐	☐	Students enjoy outdoor recess, classroom activity breaks, and required health education.
☒	☐	☐	Families are invited to school wellness activities, and we partner with local universities to support student health.
☒	☐	☐	Our Wellness Committee welcomes public participation, and our wellness policy and reports are posted online for both schools.
☐	☒	☐	Families are encouraged to participate in school meals, and menus are posted on each school's website.
☐	☐	☒	We will develop a written plan to guide wellness activities at each school.

Highlights

Victory Collegiate Academy and Victory Futures Academy serve breakfast and lunch through federal meal programs, with at least 20 minutes for students to eat lunch. Elementary students receive at least 150 minutes of physical education each week, and all students have opportunities to be active before, during, and after school. Nutrition education is part of our health curriculum, and families are invited to join our wellness activities throughout the year.

Areas for Growth

In the coming year, we will create a written wellness plan with clear roles and timelines for each school. We will also expand how we promote school meals to families and invite more parents, students, and community members to join our Wellness Committee.
